

FDA/Center for Drug Evaluation & Research (CDER)
Division of Microbiology Assessment
<http://www.fda.gov>

*Career Fair Representative(s):
Erika Pfeiler, PhD, Microbiologist*

The Center for Drug Evaluation and Research (CDER) performs an essential public health task by making sure that safe and effective drugs are available to improve the health of people in the United States. Division of Microbiology's goals are to perform fundamental and applied research to address critical issues in support of the FDA mission. The Division's research projects are based on expertise of division staff and consultation with scientists from other FDA Centers, regulatory agencies, academia, and industry.
